Commitment to the Quality in Careers Standard

I am pleased to confirm that the Governors and staff of **Lismore Comprehensive School** are committed to gaining The Quality in Careers Standard by **December 2021**. We have incorporated this goal in our current development plan.

Our aim is to provide an outstanding programme of careers education, information, advice and guidance activities that satisfy national requirements and provide guidance which enables us to address the career development needs of all our students.

Investor in Careers is a licensed awarding body for the Quality in Careers Standard Award, which showcases and supports the management of careers education, information, advice and guidance (CEIAG) and is now the most widely used quality award of its kind recognised nationally across the country.

We look forward to the attainment of this award and ensuring every pupil has an appropriate individual career pathway resulting in career success for all our pupils.

Mrs Shauna Lennon

Principal
